**PUBLISHED** WEEKLY

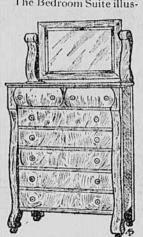

Let Us Furnish the Bride's New Home

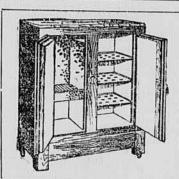

Many a June bride will be made happy and many a bridegroom will not have the usual heavy demands upon his purse if the furniture for the new home has been purchased at our store. Come in and inspect our splendid display. The Bedroom Suite illus-

a d Circassian Walnut, is

Gibson Refrigerators

The question of ice in the summer is a serious one. Anything that will effect a saving in the ice consumption should receive the careful attention of the housewife. The Gibson Refrigerator is so constructed that a steady circulation of cold dry air is maintained throughout all compartments, insuring perfect refrigeration at all times, and effecting a great saving in the consumption of ice.

Special Family Size, equipped with sanitary porcelain-lined water cooler, reduced for the coming week. Water does not come in contact with the ice, and is drawn instantly without disturbing the interior through a convenient spigot in front.

FOR THE COMING WEEK REDUCED PRICE \$8.75

### New Method Gas Ranges

Gas is the best fuel to use for cooking, especially during the warm summer months. The New Method Ranges are beyond question the best to be had. The improvements of burners, oven and other parts are exclusive with the New Method, as all are protected by

The New Method will positively save 25 per cent. in gas bills. Sold here exclusively. Demonstrations daily.

# Cool and Sanitary Floor Coverings for Summer

The heavy cloth floor coverings not only make the home excessively hot during the summer, but are unsanitary as well. Various fibre floor coverings are cool and comfortable and the only thing for summer use. Here are a few of our special offerings for the coming week:

### 9x12 Crex Rug, \$7.50. 9x12 Bungalow Wool and Fibre Rug, \$8.95

MISS HELEN BULLARD, OF RADFORD,

One of the youngest of The Times-Dispatch correspondents. She is affectiveness old and a sophomore in the High School. Her passion is horses, and her mount in the accompanying illustration is the riding horse of Dr. J. J. Jiott, president of the Dominion Power Company, which she exercises frequently on her daily rides. She is the youngest daughter of Mrs. L. O. Bullard, and began newspaper work at fourteen.

MRS. PERCY V. PENNYBACKER, AUSTIN, SAVAGE Mrs. Pennybacker was born in Virginia, but has lived in Texas stace her girlhood days. She was the third president of the Texas Federation of Women's Clubs. During her administration a \$3,500 university acholarship was raised, an appropriation of \$65,000 was chiasted for a woman's dormitory, and the whole club interest of the State was vividity awakened. At the Los Angeles blennial a leading paper stated: "Mrs. Pennybacker was the vital spark of the convention." At the St. Paul blennial she represented the South on president's night and "rose to the heights of true cratory." As teasurer, auditor and chairman of program committee of the General Federation, has has grown experienced in the detail work of the organization. She has grown experienced in the detail work of the organization. She has studied deeply both in America and Europe. She is blessed with the sincere devottom of the women of Texas. She will be a candidate for president of the National Federation of Women's Clubs at its next blenuich meeting. MRS. PERCY V. PENNYBACKER, ALSTIN, the tory in every respect.
